Form 4: A light blue rectangular area containing several tables.

--	--

Form row 1: Light blue background with a small white square icon in the top-left corner. It contains two small white boxes, a larger white box, and a table with 2 columns and 3 rows.

Form row 2: Identical structure to Form row 1.

Form row 3: Identical structure to Form row 1.

Form row 4: Identical structure to Form row 1.

Form row 5: Identical structure to Form row 1.

Main form area: Light blue background with a small white square icon in the top-left corner. It contains a grid of 10 columns and 1 row at the top right, a table with 2 columns and 3 rows in the middle right, a horizontal bar with 10 segments on the left, another horizontal bar with 10 segments below it, a long horizontal bar with 2 segments below that, a table with 4 columns and 4 rows at the bottom, and a long horizontal bar with 2 segments at the very bottom.

Form row 1: Light blue background with a small white square in the top-left corner. It contains two small input boxes, a larger central input box, and a table with three rows and two columns on the right.

Form row 2: Identical structure to Form row 1.

Form row 3: Identical structure to Form row 1.

Form row 4: Identical structure to Form row 1.

Form row 5: Identical structure to Form row 1.

●

Main form area with a light blue background and a dark blue header bar. It contains a small input box with the number '1', a long horizontal input box, a table with three rows and two columns, two long horizontal input boxes, a wide horizontal input box, a table with four rows and two columns containing circles, and a long horizontal input box at the bottom with two small squares on the left.

Form 1: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three tables. The first table is a 2x3 grid. The second table is a 3x10 grid. The third table is a 2x10 grid. On the right side, there are two stacked tables, each with 2 columns and 3 rows.

Form 2: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three tables. The first table is a 2x3 grid. The second table is a 3x10 grid. The third table is a 2x10 grid. On the right side, there are two stacked tables, each with 2 columns and 3 rows.

Form 3: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three tables. The first table is a 2x3 grid. The second table is a 3x10 grid. The third table is a 2x10 grid. On the right side, there are two stacked tables, each with 2 columns and 3 rows.

Form 4: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three tables. The first table is a 2x3 grid. The second table is a 3x10 grid. The third table is a 2x10 grid. On the right side, there are two stacked tables, each with 2 columns and 3 rows.

Form 5: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three tables. The first table is a 2x3 grid. The second table is a 3x10 grid. The third table is a 2x10 grid. On the right side, there are two stacked tables, each with 2 columns and 3 rows.

Form 6: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are two columns of tables. The left column has five tables, each with 2 columns and 1 row. The right column has three tables, each with 2 columns and 1 row. A large curly brace on the right side groups the two columns of tables.

Form 7: A light blue rectangular area containing a header bar with a white circle on the left. Below the header are three small white squares on the left and a table with 2 columns and 3 rows on the right.

Form 1: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three tables. The first table is a 2x3 grid. The second table is a 3x5 grid. The third table is a 2x4 grid. On the right side, there is a 3x2 grid.

Form 2: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three tables. The first table is a 2x3 grid. The second table is a 3x5 grid. The third table is a 2x4 grid. On the right side, there is a 3x2 grid.

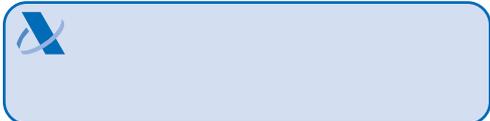

Form 3: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three tables. The first table is a 2x3 grid. The second table is a 3x5 grid. The third table is a 2x4 grid. On the right side, there is a 3x2 grid.

Form 4: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three tables. The first table is a 2x3 grid. The second table is a 3x5 grid. The third table is a 2x4 grid. On the right side, there is a 3x2 grid.

Form 5: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three tables. The first table is a 2x3 grid. The second table is a 3x5 grid. The third table is a 2x4 grid. On the right side, there is a 3x2 grid.

Form 6: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are two columns of tables. The left column has three 2x2 grids, followed by two 2x3 grids. The right column has two 2x2 grids, followed by two 2x3 grids. There are curly braces between the columns, indicating a relationship between the rows.

Form 7: A light blue rectangular area with a blue border. It contains a header bar with a white circle on the left and a blue square on the right. Below the header, there are three small white squares on the left and a 2x3 grid on the right.

Large empty rectangular input field with a blue border and a blue shadow effect on the top-left corner.

Form element with a header bar containing two small input fields. Below the header is a large empty rectangular input field.

Form element with a header bar containing a small input field with a vertical scale on its left side, followed by three larger empty rectangular input fields.

Form element with a header bar containing a small input field with a vertical scale on its right side.

Form element with a header bar containing a small input field with a vertical scale on its right side.

Form element with a header bar containing a small input field with a vertical scale on its right side. Below the header are two small square input fields.

Form element with a header bar containing three small input fields with vertical scales on their right sides, followed by a larger empty rectangular input field.

Form element with a header bar containing a small input field with a vertical scale on its right side.

Form element with a header bar containing a small input field with a vertical scale on its right side. Below the header is a large empty rectangular input field with a vertical scale on its right side.

Form element with a header bar containing a small input field with a vertical scale on its right side. Below the header is a large empty rectangular input field.
